of holdings on a voluntary basis further action might be stopped for the present.

2) The Registrar now finds that the scheme of consolidation has been taken up on a voluntary basis in Kurnool and Kothakota in Chittoor taluks and requires exemption to the documents from payment of stamp and registration fee. The Registrar has not stated the probable amount that would be involved in the proposal. It seems desirable to consult unofficially the Comr of Stamps and the I.G of Registration on the proposal. 1) The Registrar of Co-operative Societies in Mysore Bangalore, was requested to furnish information on certain points bearing on the subject. A copy of D.O. No. 383 dated 29-8-38 received from him in reply is enclosed herein for reference. He says that the loss of revenue may not exceed a couple of hundreds of rupees per annum for the present, if exemption is granted. But if the scheme is extended to other places the loss of revenue would be very large. Further, the receipts under V Stamps and VI Registration have already fallen as noted below:-

	1936-37.	1937-38.
S T A M P S.	21,00,283.	20,22,000.
REGISTRATION.	3,01,858.	2,98,890.

In these circumstances it does not seem to be desirable to grant the exemption.

39 As observed by the Law Deptt. the notifications have more properly to issue under the Mysore Stamp & Registration Acts. The draft in respect of Stamps appears all-right. As regards exemption from Registration fees, section 78 only enables Govt to alter the Table of fees & does not empower Govt to grant exemptions as such. And so the words "In Exercise of the powers vested in them" may be deleted as has been done in the case of a similar draft put up in 1926 & the draft altered as suggested. BANGALORE.

To

P.H.Krishna Rao, Esq., M.A.,
Secretary to Government, L.S.G.Department,
Bangalore.

Sir,

I have the honor to state that the Consolidation of small Holdings on a voluntary basis has been taken up by the Department as resolved by the Committee of Management of the Clospet Rural Welfare Centre at its meeting held on 9th April 1938. The possibilities of the scheme are being investigated in Kungal and Kethohalli villages in the Clospet Taluk and 18 small holders have already come forward to exchange their small bits of lands and effect consolidation. As some encouragement from Government is necessary to tackle this problem, I request that Government may be pleased to exempt the documents to be executed by parties for transfer of lands for consolidation purposes from the levy of stamp duty and registration charges.

I have the honor to be,
Sir,
Your most obedient servant,

Personal Assistant to the Registrar
For R e g i s t r a r
(absent from Head-quarters on tour)

Copy of D.O. letter No.383, dated 29th August 1938, from the Registrar of Co-operative Societies in Mysore, Bangalore, to the Commissioner of Stamps in Mysore, Bangalore.

With reffrence to your letter No.1/38-39 dated 9th August 1938, I write to inform you as follows:-

No co-operative society has been formed for the consolidation of fragmented holdings and what has been achieved is by - means of continuous propaganda, education and persuasion. It is only in respect of two Survey numbers in one village and three Survey numbers in another that consolidation has been arranged. The holdings are all dry and the total extent of the 5 Survey - numbers is 21 acres and 15 guntas. The value of the holdings for interchange may not be more than Rs.2,000/-.

The total probable amount of stamp revenue that Government would lose, if the exemption is granted, may not exceed a couple of hundreds of rupees per annum for the present. I may add that this exemption has been recommended by the Committee constituted by Government to examine the question of subdivision and fragmentation of holdings (Vide Government Order No.R.3238-98 L.S. 34-30-17 dated 21st November 1935).
